

We respectfully acknowledge that the 2025 13U AA Provincial Championships are taking place on the traditional and unceded territories of the Lekwungen speaking Peoples, known today as the Songhees and Esquimalt Nations. We are grateful for the opportunity to gather, play, and celebrate the sport of baseball on these sacred lands.

Message from the Honourable Spencer Chandra Herbert

Minister of Tourism, Arts, Culture and Sport

On behalf of Premier David Eby and the Government of British Columbia, it's my pleasure to welcome athletes, coaches, and spectators to the 13U AA BC Minor Baseball Provincials

Congratulations to all the athletes stepping up to the plate in this year's tournament—you've already knocked it out of the park. I played softball and hard ball throughout elementary and high school, I know how hard you've trained and how hard you've worked to get here. Well done. Qualifying for this competition is a major league

achievement that shows just how much heart, hustle, and hard work you've put into the game.

The BC government is committed to working with our community partners to build a strong and thriving sport sector, where people of all ages and abilities have the opportunity to be a part of a team. I commend your dedication to your sport and league. It's a true home run for everyone—where young athletes can swing for the fences and reach their full potential.

A big shout-out to the MVPs behind the scenes—the organizers, volunteers, coaches, families, and fans. It takes dedication to make an event like this a success, and your support is truly appreciated. And to all the teams: Have a fantastic time making friends and memories!

Sincerely.

Hon. Spencer Chandra Herbert,

Minister of Tourism, Arts, Culture and Sport

A Message from the President of BC Minor Baseball Association

On behalf of the Board of Directors of BC Minor Baseball Association (BCMBA), I am thrilled to extend a warm welcome and heartfelt congratulations to all the teams, players, and coaches participating in the 2025 BCMBA Provincial Baseball Championship Tournaments! Reaching this level of competition is a testament to countless hours of practice, unwavering dedication, and a true passion for the game. You've all demonstrated exceptional skill and commitment to get here, and that in itself is a remarkable achievement.

These Provincial Tournaments are more than just games; they are a celebration of community, teamwork, and the spirit of baseball. We are incredibly proud to offer you a premier experience, and this is only possible because of the tremendous support we receive. A massive thank you goes out to the countless volunteers who work tirelessly behind the scenes – preparing fields, organizing events, and ensuring everything runs smoothly. Your dedication is the backbone of these tournaments. We also extend our gratitude to the officials, fundraisers, sponsors, and all the spectators whose enthusiasm makes these events truly special.

While the competition will undoubtedly be intense, I encourage everyone to remember the core values that make baseball such a rewarding experience. This event is, first and foremost, for the kids. Let's ensure we foster an environment of respect for all players, coaches, officials, umpires, and fellow spectators. By upholding these values, we all contribute to a positive and memorable experience, regardless of the outcome on the scoreboard.

The journey to Provincials demands significant hard work and resilience, and every participant should be incredibly proud of their efforts. Beyond the wins and losses, the memories you create here – the friendships forged, the challenges overcome, and the thrill of competition – will last a lifetime.

I wish all competitors the very best of luck as you strive to capture the 2025 BCMBA Provincial Baseball Championship Banner. Play hard, have fun, and make some incredible memories!

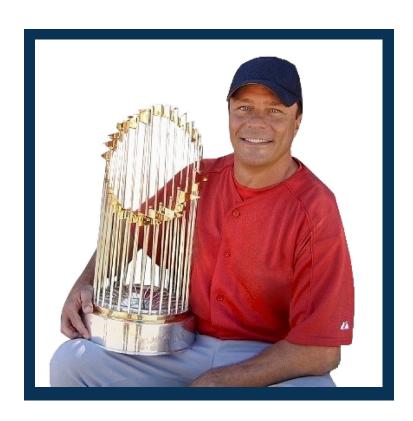

Raj P. Puri President, BC Minor Baseball Association
